**MUM-E-DUST**  
REG. U.S. PAT. OFF.

Since the advent of ritualized burial, mummy dust has been a vital ingredient for occult workings of all kinds. When the success of your ceremony is at stake, you can't afford to take a chance with second-rate magical powders. You need something tried and true.

Dr. Francis Morgan's MUM-E-DUST is carefully compounded from the purest ingredients, using formulae from the greatest occult authorities, and field tested under the most demanding conditions. MUM-E-DUST is the demonstrated preference of wise practitioners everywhere. Try all four varieties, in Hermetically sealed ten-ounce cans!

**STANDARD MUMMY DUST** *Dr. Morgan's Necropolitan Blend meets the needs of the most exacting rites at a fraction of the price of other brands.*

**INCA MOMIA** *From the summits of arid and icy Andean mountain tops we procure only the best-preserved Incan mummies for use in this New World mummy dust blend.*

**POWDER OF IBN GHAZI** *has been trusted for centuries for revealing the invisible under the most adverse conditions, and should be used with great caution.*

**MACHEN'S POWDERED VINUM SABBATI** *(Witches' Wine) is a potent and highly concentrated compound elaborately prepared from rare plants and mineral salts by means of subtle medieval processes.*

Dr. FRANCIS MORGAN served as a distinguished professor at Miskatonic University in Arkham, Massachusetts, where he read the Necronomicon and other powerful works of eldritch lore. After investigating certain phenomena in Arkham, Dunwich, and Innsmouth, Mass., Dr. Morgan chose to leave academia and devote his career to the development of the finest-quality magical powders, salts, preparations, and charms. His expertise is hard-won and unmatched. His signature on every can of MUM-E-DUST is your guarantee of quality.
